Retreat to Andalusia

The Costa del Sol with its sun-drenched shores of the Mediterranean is one of the world's most luxurious, sought-after destinations. It really does live up to its name as the coast of the sun, with an average of 320 days of sunshine every year and a marvellously relaxed, cosmopolitan atmosphere. However, there is a lot more to Andalusia than just sun. The region's delicate Moorish craftsmanship adorns some of the most admired buildings in Europe. The exuberance of flamenco was born here; as were some of Spain's greatest artists: Velázquez, Murillo and Picasso. The country's national drink, Sherry, is also created in its heartland.

Marriott's Playa Andaluza

Marriott's Playa Andaluza is a magnificent beachfront property, close to the luxurious marina of Puerto Banús, internationally-renowned for its exclusive shops, restaurants and nightlife. Relax on the sandy beaches or play on one of the sixty golf courses nearby, many designed by top international golfers.

Five-star accommodation

The design and architecture of the resorts, the apartments and the Clubhouses are heavily influenced by the traditions of Andalusia, and the spacious sweep of the gardens has all the lavish charm so typical of the region. Your accommodation will be a luxurious two-bedroom apartment with a king-size bed in the master bedroom, satellite TV, DVD player, stereo and a fully equipped kitchen with microwave oven and dishwasher.

*A supplement of €115 per night applies for stays during July and August 2010. Subject to terms and conditions.
